Re: Anasazi Trails County Improvement District

Dear Anasazi Trails County Improvement District Member,

Based on comments received from District Members, Supervisor Archuleta has scheduled a public comment meeting for District Members to share their views as to the future of the District with the entire District Board of Directors. **The public comment meeting is scheduled for April 21, 2009 at 6:30 P.M. in the County Board Chambers, 219 E. Cherry Street, Flagstaff.** There is not an exact time that this item will be heard because there are several items on the agenda prior to this item and it is difficult to determine how long each item will take, but please plan on arriving by 6:30.

This is a public comment meeting and will provide an opportunity for District Members to share with the District Board of Directors their views relative to the future of the District and any concerns they may have with potential next steps. **If you cannot attend the meeting in person to provide your input, then you can provide comments via email or U.S. Mail prior to the meeting (my email and mail addresses are above). I will read any comments submitted during the meeting so that anyone with input is heard at the meeting.** You can also submit comments in writing and present your comments at the meeting if so desired.

The intent of the meeting again is to provide District Member comments to the Board of Directors. The Board of Directors will not be taking a vote on the future of the District at this meeting. The Board will share their reactions to the situation after hearing input from the District as well as input from the staff concerning the history and financial status of the District.

I encourage all District Members to either attend the meeting or to provide comments in writing to me prior to the meeting. Please contact me or Esliir Musta (928-679-7176 or [emusta@coconino.az.gov](mailto:emusta@coconino.az.gov)) if you have any questions.

Sincerely,

Lucinda Andreani  
Director, Special Initiatives
